ADD SOME EQ TO YOUR IQ!

Learn why adding EQ (emotional intelligence) to your IQ can develop your overall effectiveness.

The work being done on EQ is starting to prove the value of emotionally intelligent employees if you want a competitive advantage. For example, emotionally intelligent partners in a consulting firm delivered 1.2 million more profit than did other partners, and organizations who value EQ have higher retention rates, higher employee satisfaction and lower sick days.

In this engaging and interactive session, discover strategies to add some EQ to your IQ. You will:

- Assess your own level of emotional intelligence.
- Learn what modern brain science says about emotional intelligence.
- Develop simple techniques for developing your emotional intelligence.
